

## **Release & Waiver of Liability - ECOS The Environmental Clearinghouse**

**Event:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Please read carefully, this document affects your legal rights.**

ECOS accepts my participation in the Event/Activity noted above. As a participant, I agree not to make a claim or sue ECOS, or any person acting on behalf of or affiliated with ECOS, for injuries I sustain while involved in the activity or in transportation to or from the activity site. I also agree not to make a claim or sue ECOS or such workers or affiliates if a third party makes a claim or sues me for similar injuries. I retain the right, however, to take such action if ECOS or any such workers or affiliates acts intentionally.

I accept that the Activity/Event may expose me to a variety of hazards and risks, which I accept. I agree to take reasonable care to avoid such hazards and risks, to act responsibly, to accept my physical condition and limitations, and to follow all instructions given by ECOS.

I accept responsibility to provide for any medical emergency, and not to hold ECOS liable for providing me with such care. I understand that ECOS does not carry medical insurance for Event/Activity participants.

By checking the box in front of my signature, I grant ECOS permission to produce photographs and audio and/or visual recordings of me, and to use those made by me, while I'm a participant, and to use the same in any publicity medium without notifying or compensating me.

I agree that if any portion of this Waiver is determined to be unenforceable, all other portions will remain enforceable.

I have read and I fully understand this Waiver, that it limits my rights and the rights of my children who may be participants. I am over 18 years of age. I am signing on behalf of myself and any of my minor children who are participants.
