

Come celebrate with ECOS on our Golden Anniversary in the beautiful and comfortable Van Curler Ballroom at SUNY Schenectady! We'll have a silent auction on some exciting prizes while scrumptious hors d'oeuvres will be served prior to the main event. A delicious buffet dinner - to satisfy any dinner craving - will be provided by the talented students of the SUNY Schenectady Culinary Arts program! We'll follow our dinner with the presentation of this year's Rachel Carson Award honoree and then introduce our honored keynote speaker.
